

Great Dalby Pupil Premium Information 2016/17

Great Dalby will receive £8910 to support those children who are entitled to Free School Meals or are on the 'Ever 6' register. Each pupil will receive £1325 each which will be used to support their learning and wider school experiences. At Great Dalby we have 2 children entitled to FSM (1.4%) and 5 children on the E6 list (3.5%). Please see the strategies employed and the expected impact. This will be reviewed in July 2017.

Milk for FSM Children	Increased parental involvement - health	£50
Development of school library	Positive attitudes to reading. A space for quiet reflection.	£100
Total Expenditure		£11,501

Impact 2016/17 There was a positive impact on all our children in receipt on additional funding both academically, socially and personally.

The two children who are entitled to FSM (1.38%) were both working at the expected standard or above at the end of the academic year. They accessed social communication groups which has shown improved communication skills and confidence. Both children access the library and through reading target sessions show a good understanding of age appropriate texts. The child in Year 2 scored 103+ in all Y2 tests. There were 5 children entitled to Pupil Premium funding (3.47%) In Year 6 both pupils met the expected standard in Reading, Writing, Maths and GPS - one achieving 112 in reading. In Year 5 there is one pupil – he is working at the expected standard in maths and reading; towards expected in writing. There are two pupils in Year 4 - one pupil is working at the expected standard in maths and reading and towards expected in writing. The other also has SEND and is working towards age related expectations across the curriculum. Writing will be targeted in 2017/18 school wide.
