My Grandad Vic – The Black Watch and his brother, my Great Uncle Harry.

My Grandad Peter – The Royal Artillery.

I remember hearing the announcement on the wireless. Then seeing the now Queen and her sister, the Princesses sneak out of the palace into the crowds on The Mall.

Oh we've had lots of street parties! The coronation, the wedding, jubilees! The street party I remember most in VE day when a neighbour carried a piano into the street to play for everyone.

Don't forget, this wasn't the end - it was VJ day in the August. I remember that too and was so relieved.
