Primary School PE and Sport Funding for 2019/20

The government provides additional funding to improve the provision of physical education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport and is allocated directly to primary schools to achieve the Department for Education's vision for Primary PE and Sport Premium that:

ALL pupils leaving primary school will be **physically literate** and have the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

This funding is ring-fenced and therefore can only be spent on the provision of PE and sport in schools.

Purpose of funding

The funding has been provided to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Eligible schools

Funding for schools will be calculated by reference to the number of primary-aged pupils in years 1 to 6 (pupils aged 5 to 10), as recorded in the annual schools' census in January 2019.

The funding is, schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil. This is allocated to school in 2 separate payments.

- 7/12 of funding allocation in October 2019
- 5/12 of funding allocation in April 2020

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Great Dalby Primary School had 125 eligible pupils based on the numbers on roll in Years 1-6 on the January Census 2019 and is due to receive £17,250 of Primary school PE and sport funding for 2019/20.
