Mrs Anderson's weekly newsletter

You have one more week of your home-learning pack and I know some of you have asked your teachers for more work. This week the teachers will be working hard to prepare your learning for after Easter which will be on the website in your class page. You have some exciting topics to look forward to ...

Hello! Well done—you have completed your first week of, what some people are calling, home-schooling. I have spoken to a few children and parents this week and it sounds like you are all working hard and trying your best. I know it must be difficult to do your learning activities whilst at home when there's other stuff to do but please try to do a little bit each day—we are all here to help if you need us (or if your parents do!)

So many of you have started following me (and Otto) on Instagram—please tag me in any photos of you doing school work or decorating your windows. I've loved seeing some of your lovely rainbows.

@mrsandersongdps

Growth mindset and the power of Yet!

We talk about the importance of having a growth mindset and the power of Yet a lot in school; here's a little reminder...

1. Your mindset is your attitude
2. It's about how you think and feel rather than what you can and can't do.
3. Scientists **used** to believe that no matter how hard you worked at something, your intelligence stayed the same.
4. Scientists **now** believe that everyone has the same chance of being just as brilliant as the next person. It is about having the right attitude.

If you add yet to something tricky, it shows you can achieve anything!!! Watch this clip ... <https://youtu.be/XLeUvZvuvAS>

My quote of the week:

"You are braver than you believe, stronger than you seem and smarter than you think."

A.A Milne

Joke of the week:

What did the cat say when he lost all his money? *I'm paw!!!*

This is Harley's wonderful rainbow displayed in his window. He sent it to Mrs Corner, who sent it to me because she was so impressed with his choice of words. He chose words like; optimism and brave. He also included "willing to help others" on the clouds. Well done Harley, we all need to be optimistic and helpful, as well as a little bit braver than normal at the moment.

Storytime!

<https://www.worldofdavidwalliams.com/elevenses>

Elevenses with The World of David Walliams - The World of David Walliams Every day at 11am, you can listen to one of David Walliams' World's Worst Children stories, so sit down, take a break, and enjoy 20ish minutes of pure fun!

This was one of my favourite stories as a child, it's now one of Otto's bedtime requests.

Thanks to Mr Shephard, Great Dalby Primary School now has a YouTube channel. I will be uploading an assembly today—I'll send the link with this newsletter. You will also receive some advice from our wonderful central team at BEP about 'home-schooling'. Thank you to those who have offered to help in any way.

Star of the week returns next week!!

Missing you all! Goodbye until next week...
from Mrs Anderson, Otto and Bertie the dog.
