

Great Dalby Primary School

Weekly Bulletin 14th January 2022

Dear Parents,

It has been a great, first, full week back. The children have really been living up to the new expectations. We have seen fantastic lining up and super effort to present books to be the best they can. It has also been great this week for individual pupil's music lessons to take place in the new library area with doors and a new carpet! The children are also enjoying getting stuck in to their new term of learning. You can now find our knowledge organisers on the school website.

Class 1 have been finding out about what happens at night by thinking about their own bedtime routine, investigating nocturnal animals and enjoying the story of The Owl Who Was Afraid of the Dark.

Class 2 have been busy learning about how vehicles move, in particular they have focused on looking at wheels and axles in motion using their knowledge organiser to support them.

Class 3 have enjoyed the launch into their rainforest work and have some lovely books to support this, it is a carnival of colours to see!

Class 4 tiptoed around the school on their sound walk to hear and listen for noises for their new science topic about sound.

Class 5 have been exploring electricity and investigating different electrical circuits within science and are beginning to find out all about Colombia in their new geography learning.

Have a lovely weekend,
Mrs Corner and Mrs Stuart

Census Day Lunch

Thursday 20th January

Sausage or Veggie sausages with Chips
Ice cream or fruit platter for pudding

Reminder

Please remember a spare pair of shoes / trainers on PE days

Covid Update

Changes to the self-isolation period for those who test positive for COVID-19: From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Lunchtime award

Millie (Class 2)

Caring and helpfulness in the dinner hall

Stars of the week

Class 1 - Alfie F

Class 2 - Emily N

Class 3 - Owen M
