

Great Dalby Primary School

Weekly Bulletin 17th September 2021

Dear Parents,

We have seen so much kindness in school this week. After so long in 'bubbles' we weren't sure how everyone would get on, being all together again, but we had no need to worry - all of the children have been playing so nicely together and really looking after each other.

Mrs Corner started the week with an assembly about Roald Dahl, on what would have been his 105th birthday. It was great to hear how many of the children still enjoy his stories now.

Class 1 have enjoyed their new learning based on 'We're going on a bear hunt'. They have been creating a huge bear to live in the classroom with them.

Class 2 have been writing 'thank you' letters to the museum, thanking them for an wonderful visit last week.

Class 3 have made Stonehenge using Wotsits - and they were even allowed to eat it afterwards!

Class 4 have been really focusing on team-work within their classroom.

Class 5 have been creating mini books about precious materials from ancient China.

Have a lovely weekend, Mrs Corner and Mrs Stuart

School Council

The school council are spending time this week thinking about ways to reduce landfill waste and plastic in school. If you have any ideas please pass these onto your class representative

Now we are back to normal school hours, school will be open for children at 8.50am. Mrs Corner and/or Mrs Stuart will be on the playground from this time each morning. Until this time, please do not leave your child unattended on the playground.

THANK YOU!

To Mr McNaughton and his happy helpers for spending their weekend finishing off the pond area so it is ready for the children to start using. We really appreciate it.
