

# Great Dalby Primary School

## Weekly Bulletin 1st October 2021

Another week and now a new month! Our assemblies have had a focus on Harvest and Black History this week along with singing, it has been joyous to hear all the voices together in the hall.

Class 1 have thought about perseverance to improve their art skills with absolutely stunning before and after results in their self-portraits .

Class 2 have continued to build on their geographical skills and are now naming the seven continents, the equator and the northern and southern hemispheres.

Class 3 have been writing instructions for how to make a clay pot following on from their lived experience of this last week.

Class 4 have been testing buoyancy in science with the use of tin foil boats as well as developing their folk tales.

Class 5 have written folk tales with morals and have read them to Class 1 today in the hope of passing on some learning wisdom.

We are pleased to have the skip off the premises now and the school is looking much tidier. A big thank you to everyone who helps to keep our school cared for, whether that is ensuring your rubbish goes into the bin or tidying away playground equipment, it all helps.

Mrs Corner (Mon-Wed) and Mrs Stuart (Wed-Fri) are now the Acting Headteachers covering Mrs Anderson's maternity leave.

Mrs Anderson has asked us to pass on the following message:

*Dear Boys and Girls, Mums and Dads,*

*I am sorry I haven't been able to see you before having the baby. I hope you have a super few months at school; remember to always try your best, work hard and be kind (at home too!) I'm looking forward to letting you know whether the baby is a boy or girl!*

*With my very best wishes, Mrs Anderson*

Here are a few of the amazing self portraits from Class 1.
