

# Great Dalby Primary School

## Weekly Bulletin 24th September 2021

It's the end of another busy week in school with some very changeable weather! Here are some examples of learning that has happened this week that you can talk to your child/ren about and find out even more...

Class 1 have been looking at shapes and odd and even numbers. They created a street of houses and sorted the odd and even numbers.

Class 2 have been exploring the countries that make up the United Kingdom and using the NSEW compass points for directions.

Class 3 have been investigating clay in order to re-create Bronze Age pots. They have produced some wonderful ideas for their decorative patterns.

Class 4 have designed and made parachutes to test out changing variables in order to see what would give their 'character' the safest, slowest landing. They watched in awe as Mrs McNaughton dropped them from the upstairs window.

Class 5 have been exploring figurative language through Chinese folk tales. This week they have looked closely at the text 'The Nodding Tiger'.

Have a lovely weekend, whatever the weather decides to bring.

Mrs Corner and Mrs Stuart

### Reminder: Flu Vaccines: October 25th

Please complete your child's flu vaccine consent form

Visit: [www.leicsandrutlandimms.co.uk](http://www.leicsandrutlandimms.co.uk) School: Great Dalby School School code: LE139342

# THANK YOU!

The pond area is looking amazing! Thank you again to our volunteers for spending your weekend clearing the area for the children to use.
