

Great Dalby Primary School

Weekly Bulletin 8th October 2021

Dear Parents,

Another week has flown by and it is nearing the end of our first half term this academic year! We would like to thank you for your support to date, bringing in your children on time and ensuring they have all the right things, including today with an amazing sea of yellow! We have talked to the children about the importance of keeping our bodies healthy with exercise and healthy food and also that our minds can be kept healthy too. Wearing yellow today shows a united front to show people that they are not alone and is supporting Young Minds on Mental Health Day. We haven't asked for specific donations, but if you would like to make your own personal donation then you can find a link to the page here <https://www.youngminds.org.uk/support-us/fundraising/helloyellow/>

Class 1 have been brilliant sources of knowledge this week when exploring Antarctica and have been learning and exploring all about penguins.

Class 2 have been investigating technology and amazed Mrs Ward with their understanding of how technology helps us, they are going to be developing this understanding to think about e-safety too.

Class 3, like the rest of the school, loved the poetry choices that Mrs Lander shared with us yesterday on National Poetry Day and are investigating their own poems based on Spike Milligan's 'On the Ning Nang Nong' verse.

Class 4 are excited to have written their own folk tales for a purpose and can't wait to share them with Class 2!

Class 5 have turned their hand to computer aided design, building their own houses. Mr Bryan has never seen them so enthused in their computing sessions, which has been a joy for everyone.

Wishing you all a restful weekend and some time to look after your own healthy minds.
Mrs Corner and Mrs Stuart
