

Phonics and Early Reading at Great Dalby Primary School

At Great Dalby Primary School, we use Read Write Inc.

How do we teach Early Reading?

Read Write Inc., developed by Ruth Miskin, provides a structured and systematic approach to teaching literacy. It is used by more than a quarter of the UK's primary schools and is designed to create fluent readers, confident speakers and willing writers. Phonics teaches children to read accurately and fluently with good comprehension. They learn to form each letter, spell correctly, and compose their ideas step-by-step.

At Great Dalby Primary School, the Read Write Inc. (RWI) programme helps to ensure children get off to a flying start with their English. RWI is a method of learning centred round letter sounds and phonics, and we use it to aid children in their reading and writing.

Reading opens the door to learning. A child who reads a lot will become a good reader. A good reader will be able to read more challenging material. A child who reads challenging material is a child who will learn. The more a child learns, the more he or she will want to find out.

Using RWI, the children learn to read effortlessly so that they can put all their energy into comprehending what they read. It also allows them to spell effortlessly so that they can put all their energy into composing what they write.

Read, Write Inc. has 5 underlying principles – The Five Ps:

- 1. Pace** – no time is wasted during teaching sessions! Children are active and involved in a fun and creative way. The aim is for the children to complete the programme as quickly as possible.
- 2. Praise** – teachers praise the children constantly throughout the teaching sessions. Children learn more quickly when they are praised for what they do well, rather than nagged for what they do wrong. The children are encouraged to praise each other and as a school we have developed several 'Praise Phrases' and 'Praise actions'. Ask your child to demonstrate!
- 3. Purpose** – each activity has a very clear purpose. The teacher will set this purpose at the beginning of the lesson so that the children know exactly what they will be learning.
- 4. Participation** – all children take part in all parts of the lesson. Full participation is gained through partner work and choral response.

5. Passion – as a staff we are passionate about our teaching and the benefits of the Read, Write Inc. programme! We love teaching the sessions and this enthusiasm rubs off onto the children.

Reading

Children learn the English alphabetic code: first they learn one way to read the 40+ sounds and blend these sounds into words, then learn to read the same sounds with alternative graphemes.

They experience success from the very beginning. Lively phonic books are closely matched to their increasing knowledge of phonics and 'tricky' words and, as children re-read the stories, their fluency increases.

Along with a thought-provoking introduction, prompts for thinking out loud and discussion, children are helped to re ad with a storyteller's voice.

Reading is supported by using 'Book Bag Books' for home, which match the children's reading knowledge in school.

When using RWI to read the children will:

- learn that sounds are represented by written letters
- learn 44 sounds and the corresponding letter/letter groups using simple picture prompts
- learn how to blend sounds
- learn to read words using Fred Talk
- read lively stories featuring words they have learned to sound out
- show that they comprehend the stories by answering questions

Writing

The children write every day, rehearsing out loud what they want to say, before spelling the words using the graphemes and 'tricky' words they know.

They practise handwriting every day: sitting at a table comfortably, they learn correct letter formation and how to join letters speedily and legibly.

Children's composition (ideas, vocabulary and grammar) is developed by drawing on their own experiences and talking about the stories they read.

When using RWI to write the children will:

- learn to write the letters/letter groups which represent 44 sounds
- learn to write words by saying the sounds in Fred Talk
- write simple sentences
