

Meet the School SENDCo

My name is Mr. Bryan, and I am the Special Educational Needs and Disabilities Coordinator (SENDCo) at Great Dalby Primary School.

At Great Dalby, we are committed to ensuring that all our pupils feel cared for, achieve their best, and are encouraged to persevere in every aspect of school life. We recognise that each pupil is unique, with their own strengths, areas for improvement, and sometimes barriers to learning. My role is to ensure that whatever challenges a pupil faces, they receive the support and understanding they need to overcome them. When pupils' needs are met, they can achieve academically, socially, and emotionally, but most importantly, they are happy.

Although I am new to the role of SENDCo, I bring many years of teaching experience, a background in psychology, and a genuine dedication to supporting our pupils. I believe that parents are the experts when it comes to their children, and listening to both parents and children is key to providing the right support.

If you would like to discuss anything with me, please do not hesitate to email me at: **jbryan@greatdalby.bepschools.org** or call the school office on: **01664 562750**. My designated SENDCo time is Monday afternoon, when I am usually available to take calls. Otherwise, please leave me a message or send an email, and I will respond as promptly as possible.

Best regards,

Mr. Bryan
