

Achieving Greatness, Together

Read Write Inc. Spelling at Great Dalby Primary School

At Great Dalby Primary School, we use the **Read Write Inc. Spelling Programme** to support children in developing strong, confident spelling skills from Year 2 onwards.

What is Read Write Inc. Spelling?

Read Write Inc. Spelling is a structured and engaging programme designed to help children master the spelling rules and patterns outlined in the National Curriculum. Developed by Ruth Miskin, it provides a consistent approach across the school and supports all learners in becoming accurate and independent spellers.

How the Programme Works

- **Daily Lessons:** Short, focused sessions are delivered each day to build and reinforce spelling knowledge.
- **Spelling Rules & Patterns:** Each unit focuses on a specific rule or pattern, helping children understand how words are constructed.
- **Interactive Learning:** Lessons include videos, partner work, and written activities to keep children engaged.
- **Weekly Practice:** Children practise new spellings throughout the week and complete a short test to assess progress.
- **Memory Strategies:** Techniques are taught to help children remember tricky spellings and apply them in their writing.

Why We Use It

- **Consistency:** A whole-school approach ensures all children receive the same high-quality teaching.
- **Confidence:** Children gain confidence through regular practice and clear strategies.
- **Independence:** Pupils learn to take responsibility for their own spelling development.
- **Curriculum Alignment:** The programme fully supports the expectations of the National Curriculum.
